Invitation

GSB ONLINE Training Course in cooperation with the FEM

Language: English

On 27 May 2020, 10.00 a.m. – 12.00 noon

Goal: Procurement of - Theoretical knowledge for inspections according to the current GSB quality guidelines AL 631 and ST 663 and its implementation in practice

Dear Ladies and Gentlemen,

Corona will continue to accompany us in the coming weeks and months and we now want to take advantage of the resulting limitations and offer you an online training course.

We are pleased to have found a partner in the FEM - Research Institute for Precious Metals and Metals Chemistry, who will design the online training course together with us.

On 27 May 2020 we offer you an online training course in English with the following content in the time of 10.00 a.m. - 12.00 noon:

Procurement of - Theoretical knowledge for inspections according to the current GSB quality guidelines AL 631 and ST 663 and its implementation in practice

The participation fee is graduated as follows:

- 1. participant 200,00 € plus value added tax**
- 2. participant 150,00 € plus value added tax**
- from 3rd participant 100,00 € plus value added tax**

You are welcome to register for this course using the enclosed registration form.

After receipt of your registration we will send you a corresponding invoice. As soon as the invoice amount has been credited to our account, we will send you the access data for the online training.

Participants receive a certificate confirming successful participation and passing of the test.

A detailed program is attached to this letter.

We would be pleased to welcome you to this training course in exceptional times.

With best regards

GSB International
