Invitation to the General Assembly in Leipzig

Dear Ladies and Gentlemen,

on behalf of the Chairman of the Board Mr. Willem Beljaars we are pleased to invite you to our

23. REGULAR GENERAL ASSEMBLY
October, 04th to 05th, 2021
at the Hotel The Westin Leipzig
Gerberstraße 15, 04105 Leipzig

In compliance with the statutes of GSB International the convened General Assembly has a quorum in any case.

As usual, you can look forward to an entertaining program of lectures. We will start with a lecture on the construction industry and its influence on the market for coatings of window and facade components. We will also have our finger on the pulse of time with the effects of the Green Deal and the topic of aluminium recycling. For details and the exact schedule of the event, please see the attached program.

In the non-public part of the General Assembly, amendments to the quality regulations, fee structure and statutes are presented to our members for voting.

We kindly ask you to return the attached registration form by September 06th, 2021 at the latest. In case you are unable to attend, you may provide the contact

details of the person to whom you are giving proxy.

The planned amendments to the quality regulations, the fee structure and the statutes as well as the agenda will be sent to you before the General Assembly for your review and for information purposes.

We have pre-reserved a room contingent for all participants at "The Westin Leipzig". The rooms can be booked until August 23rd, 2021 under the keyword "GSB 2021". At this point you have the choice. You can either book by telephone at the hotel or use the attached "Hotel Booking Form".

Finally, we ask you to forward the invitation internally to the relevant group of people in your company.

Please see the attachment to this mail for the registration form and the hotel booking form.

The GSB International Team is looking forward to welcoming you in Leipzig on October 04th to 05th, 2021 and wishes you a pleasant journey.

With kind regards
GSB International

Werner Mader
Managing Director

Hygiene Concept Corona Virus

At present, we assume that the event can take place as a face-to-face event in compliance with the hygiene regulations applied in October.

It is likely that all participants will need to be at least either recovered, tested or fully vaccinated.

As the regulations are continuously adapted to the pandemic, we will inform you again about the hygiene regulations at least 14 days before the event.

Attached to this mail you will find a document with the hygiene regulations currently applicable for the event location (only available in German).
