## GSB News

Dear members of the GSB,

it was a challenging year, wasn't it? 2020 was a big hurdle for everyone. In both the professional and private spheres, it was a matter of getting along with the coronavirus.

No matter where you directed your attention. You were always confronted with the conflicting goals of maintaining normal life as far as possible and at the same time protecting the people around you and yourself from the virus. A massive effort for the entire world population.

"I need a break!" may be a thought that has crossed everyone's mind on many occasions during this period of effort. We therefore wish you, your families, friends and team members a Merry Christmas and that the festive season may bring you some well-deserved time off.

For 2021 we wish you most of all good health, joy and success.

You can reach us as usual until 22.12.2020. From 4.1.2021 we will be there for you again with full commitment.

Your GSB Team
