

GSB NEWS
15.06.2021

Dear members of the GSB,

today we have prepared a special edition for you.
We have been on the road on the mission of quality assurance again and there is quite a bit going on online as well.

GSB Lecture at the Wicona Akademie "Metallbau kompakt" now Available on YouTube!

Last Wednesday, we were guests at the NEXT Studio in Frankfurt. Here, the virtual event "Metallbau kompakt" of the Wicona Akademie was scheduled.

The entire afternoon was dedicated to metal construction and the speakers reported on a wide variety of topics related to windows and facades. The lectures were transmitted via livestream.

Of course, the topics of quality assurance and planning of coatings could not be missed and it was a great pleasure for Werner Mader (Managing Director GSB International e.V.) to cover this important part.

If you did not have the opportunity to watch live, then you can now watch the recording for free and without registration on YouTube.

At this point, we would like to express our great thanks to the team of Wicona for this impressive event.

New White Paper on Coatings for Balconies, Sunroofs and Winter Gardens

There is also news on the homepage. Under the heading [Information for architects and planners](#) a new white paper on the subject of coatings for balconies, sun roofs and winter gardens has been published.

[Here you can download the white paper directly.](#)

Forwarding and sharing is explicitly welcomed.

Your Projects on the GSB Social Media Pages

The screenshot shows the Instagram profile of GSB International e.V. The profile picture is the GSB logo, which consists of four vertical yellow bars of increasing height followed by the text "GSB INTERNATIONAL". The username is "gsbinternational" and there is a "Profil bearbeiten" button with a gear icon. The statistics show 84 Beiträge, 1.373 Abonnenten, and 5.129 abonniert. The bio states: "GSB International e.V. Leading #quality association with the most demanding #technical standards for #coating #aluminum and #steel #architecture". It also includes an imprint link: "Imprint/Impressum: gsb-international.de/de/impressum-datenschutz". Below the bio is a "Highlights" section with a circular icon showing two red and white cards. The main feed shows three posts: a man at a podium with a WICONA screen, a GSB poster about Fridayfact training courses, and a modern building at night.

The number of followers of our social media channels is growing unstopably. On Instagram, we are happy to have more than 1300 followers by now.

→ We are looking for pictures of your GSB-related activities (finished projects, such as buildings, coated components or also pictures from the production).

→ Additional information on the pictures would be helpful (e.g. location of the building, used coating powder, etc.).

→ The images must be authorized for use by GSB (if necessary, permission must be obtained from third parties involved, such as photographers, architects, etc.).

→ If persons are shown on the images, they must have given their consent in accordance with the GDPR.

→ The images should be of high quality.

→ The submitting company will of course be quoted as a reference when published. If available, the company's existing social media channels will be linked.

→ Please address your submissions and also questions on the topic to Philipp Mader:
philipp.mader@gsb-international.de
